Last updated: 1st July 2026

## 1. About these terms

These Terms of Use govern access to and use of the website [staffdata.co.uk](https://staffdata.co.uk) (the "Website"), operated by Capdata Ltd, trading as [Staffdata.co.uk](https://staffdata.co.uk) ("Capdata", "we", "us", "our"), a company registered in England and Wales under company number 15970289, with its registered office at Bartle House, 9 Oxford Court, Manchester, M2 3WQ.

By using the Website, you agree to these terms. If you do not agree, please do not use the Website.

These terms govern use of the Website only. Licensing and use of our datasets is governed separately by a Data Licence Agreement entered into with each customer, which takes precedence over these terms in relation to the data itself.

## 2. About our service

The Website provides information about our licensed UK company data products, including a data dictionary, delivery methodology, and pricing. It is intended for businesses evaluating or using our data licensing services, not for consumers.

## 3. Acceptable use

You must not:

- use the Website in any way that breaches applicable law or regulation;
- attempt to gain unauthorised access to the Website, our servers, or any system or network connected to it;
- use any automated means (bots, scrapers, or similar) to access or extract content from the Website without our prior written consent;
- introduce any virus, malware, or other harmful material to the Website; or
- use the Website to transmit any unsolicited advertising or promotional material.

## 4. Intellectual property

All content on the Website — including text, design, layout, and the data dictionary — is owned by or licensed to Capdata Ltd and is protected by copyright and other intellectual property laws. You may view and print pages from the Website for your own personal or internal business reference, but may not otherwise copy, reproduce, republish, or distribute any content without our prior written consent.

Nothing on this Website grants any licence to use our datasets. Access to and use of our data products is governed exclusively by a separate Data Licence Agreement.

## 5. Accuracy of information

We take reasonable care to keep the information on the Website accurate and up to date, but we make no warranty, express or implied, that the content is complete, accurate, or current. Pricing, product scope, and coverage figures shown on the Website are indicative and may be updated from time to time; the terms of your specific engagement are those set out in your Data Licence Agreement and Order Form, not the Website.

## 6. Third-party links

The Website may contain links to third-party websites. We are not responsible for the content, accuracy, or practices of any third-party website, and including a link does not imply endorsement.

## 7. Availability

We aim to keep the Website available at all times but do not guarantee uninterrupted or error-free access. We may suspend, withdraw, or restrict availability of all or part of the Website for business or operational reasons, including maintenance, without notice.

## 8. Limitation of liability

Nothing in these terms excludes or limits our liability for death or personal injury caused by our negligence, fraud, or any other liability that cannot lawfully be excluded or limited.

Subject to the above, we are not liable for any loss or damage arising from your use of, or inability to use, the Website, or from any reliance placed on its content, to the fullest extent permitted by law.

## 9. Changes to these terms

We may update these Terms of Use from time to time. Continued use of the Website after changes are posted constitutes acceptance of the revised terms.

## 10. Governing law

These terms are governed by the laws of England and Wales, and any disputes will be subject to the exclusive jurisdiction of the courts of England and Wales.
